HIGHER GROUND by Todd Gilmore

VERSE 1
D                      A                      Em        A7             D
Lift me up by Your right hand to the Rock, Lord help me to stand!
D                                  A                       G      D7       G
I am weak, You are so strong. Lift me up, to where I belong.

VERSE 2
D                     A                      Em       A7           D
Lift me up close to Your heart shelter me, Lord, I'll do my part!
D                                      A                      G    D7        G
I will sing, teach me Your song. Lift me up, to where I belong!

VERSE 3
D                     A               Em     A7              D
Lift me up face to face; let me know Your mercy and grace!
D                                   A                     G    D7        G
I need You, fill me with love. Lift me up, to heaven above!

CHORUS
D               A                 G                D
There is a Rock that is higher than I,
A                   A7       G                 D
it stands like a tower against every foe
D          A                   G                D
I call to You from the ends of the world:
Bm A       A7   C                                                    D
Lead me to high – er ground (men: Lead me to higher ground)

ENDING
Women:                  C          D        C                      D
Lead me Lord high -- --- --- --- er
Men:                    C          D        C                      D
Lead me to higher ground, Lead me to higher ground.
